 - Regularly present monthly product updates to the sales team to strengthen product knowledge.
-

EDUCATION

Electronics and Communications Engineering

Jun 2017 - Apr 2022

Rajamangala University of Technology Krungthep

- **GPA:** 3.58
- **Thesis:** Smoke Detection and Notification System
- **Portfolio:** achiichi.github.io/lmKanlayaneeR/

Internship

Nov 2020 - Mar 2021

PROEN Corp Public Company Limited.

- **Mini Project:** Temperature Monitoring with Grafana
 - **Role:** General Assistance with Data Center Rack and Server Operations
-

ADDITIONAL INFORMATION

- **Technical Skills:**
 - Embedded Systems: MCU (PIC16 or 8-bit MCUs), Proteus
 - Programming: Embedded C, MPLAB X, MCC, Arduino
 - Web Development: HTML, CSS
- **Soft Skills:** Communication, Training, Presentation
- **Languages:** Proficient in Thai (native language), Beginner English Level (Currently Studying)
- **Computer Skills:** MS Word, Excel, PowerPoint, Canva
- **Other:** Drawing
